COLORS: SOLID BLACK | SOLID GREY | MARBLEIZED GREY | MARBLEIZED TAN

Timestep roll-out dance flooring is the ultimate multi-purpose floor ideally suited for all movement activity including tap, hip-hop, ballet, modern, character, ballroom, jazz and flamenco.

Made of 2mm (.08") thick solid homogeneous PVC. Heavy-duty flooring for stage, touring and studio. Can handle heavy scenery and props. Surface can be treated for differing degrees of non-slip.

"We are very happy with our Stagestep™ floors at our historic studios in New York City, so when we built our new extension in Long Island City, there was no question whom we would call first. Stagestep's SpringFlex subfloor systems and roll-out Super Timestep vinyl flooring are high quality, durable, and a tremendous value."

-F Lee Marwin | Director of Operations, Joffrey Ballet
