SFR Interlocking Tile

Easy to install

Ideal for home gyms, basements and fitness centers.

Do it yourself

Manufactured in the U.S.A. from the highest quality recycled rubber and brightly colored EPDM rubber flecks, it provides a portable, easily installed workout surface.

No adhesive is required, tight fitting puzzle edges simply lock together to provide a seamless, homogeneous appearance.

Do-it-yourself installation saves on labor cost. Made in the U.S.A.

RESOURCES**

Tight fitting puzzle edges simply **lock together** almost seamless.

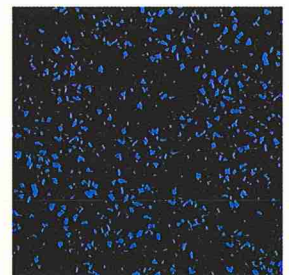

- 8 mm x 2' x 2' tiles make it easy to handle and relocate.
- Precision cut interlocking joints won't pull apart or disconnect.
- Provides firm workout footing due to its excellent slip resistance in both wet and dry conditions.
- Commercial grade product is extremely durable and can handle dropped weights.
